

## CURRICULUM VITA

**EMILY CLAIRE FOXEN-CRAFT, Ph.D.**  
**DrEmily@PediatricPainBehavioralHealth.com**

### EDUCATION

---

- Ph.D. May 2016 University of Maryland, Baltimore County**  
Human Services Psychology, Child Clinical Psychology.  
Dissertation: “Exercise-Induced Hypoalgesia: Brief Sub-Maximal Exercise, Acute Cold Pressor Pain, and Psychological Mediators in Young Adults.”  
Supervisor: Lynnda Dahlquist, Ph.D.
- M.A. May 2013 University of Maryland, Baltimore County**  
Human Services Psychology, Child Clinical Psychology.  
Thesis: “Motivation and Independent Persistence in Childhood Food Allergy.”  
Supervisor: Lynnda Dahlquist, Ph.D.
- B.A. May 2011 McGill University**  
Honors Psychology (major) and English Literature (minor).  
Junior Honors Thesis: “Pain or Pleasure? The Impact of Pain on Female and Male Sexual Motivation in a Mouse Model”. Supervisors: Jeffrey Mogil, Ph.D. and Irving Binik, Ph.D.  
Senior Honors Thesis: “Subjectively Natural Effort in Goal Pursuit.” Supervisor: Richard Koestner, Ph.D.

### PROFESSIONAL LICENSE

---

- 2017 - Present Licensed Psychologist- Michigan  
#6301016822
- 2023- Present PSYPACT Authority to Practice Interjurisdictional Telepsychology

### POSITIONS

---

- July 2023- Present **Founder and Clinical Psychologist, Pediatric Pain and Behavioral Health, PLLC.**  
Clinical service delivery for children, adolescents, and young adults with chronic pain and behavioral health concerns.
- July 2023-Present **Co-Leader, Pediatric Headache ECHO (Extension of Community Health Outcomes).**

Design curriculum for pediatricians, provide didactic education, facilitate co-presenters, lead telementoring case discussions, and evaluate participant outcomes, in collaboration with University of Michigan.

Sept 2018-June 2023 **Clinical Assistant Professor, Pediatric Pain. Division of Pediatric Psychology, Department of Pediatrics. C.S. Mott Children's Hospital, Michigan Medicine, University of Michigan.**

Teaching: didactic education for faculty and trainees, clinical training of graduate and postgraduate students, co-developer and leader of Pediatric Headache ECHO, a telementoring program for statewide pediatricians.

Clinical responsibilities: interdisciplinary intensive outpatient pediatric chronic pain program, interdisciplinary headache clinic, interdisciplinary osteogenesis imperfect clinic, individual therapy.

Research: ambulatory assessment, precision intervention.

## **FELLOWSHIP**

---

Sept 2016-Aug 2018 **Pediatric Pain Psychology, C.S. Mott Children's Hospital, Michigan Medicine.**

Clinical responsibilities: interdisciplinary intake clinic (MiPAIN), headache clinic, osteogenesis imperfecta clinic, intensive outpatient program, individual therapy, group therapy.

Research: prehabilitation, physical activity around surgery, body map validation, treatment outcomes.

Assist with program development.

Supervisor: Eric Scott, Ph.D.

## **CLINICAL INTERNSHIP**

---

Sept 2015-Aug 2016 **Children's Hospital of Michigan, Department of Psychology and Psychiatry**

**Pediatric Psychology Intern.**

Rotations: Nephrology, HIV, myelomeningocele, sickle cell disease, neuropsychology, autism evaluation, ADHD evaluation, physical rehabilitation.

Duties: clinic consultation, outpatient individual and family therapy, assessment, and inpatient consultation.

Director of Training: Arthur Robin, Ph.D.

## **INVITED PRESENTATIONS AND DIDACTIC EDUCATION**

---

- January-April 2023 **Pediatric Headache ECHO, Round 5**, Co-facilitator and expert presenter in video telementoring series on pediatric headache management for University of Michigan internal pediatricians.
- January 2023 **UM Pediatrics Grand Rounds**, Updates in pediatric pain.
- July 2022 **UM Pediatric Rheumatology Fellowship Seminar**, Pediatric Pain Management.
- June 2022 **UM Physical Medicine & Rehabilitation Research Fellowship Seminar**, Building a Research Career in Pediatric Pain Management.
- May-Sept 2022 **Pediatric Headache ECHO, Round 4, Part 2** Co-facilitator and expert presenter in video telementoring series on pediatric headache management for University of Michigan internal pediatricians.
- February 2022 **UM Pediatric Psychology Didactics**, Headache Management.
- August 2021 **UM Pediatric Neurology Seminar**, Biofeedback for Headache.
- June 2021 **Michigan Psychological Association Early Career Psychologist Conference**.  
Panelist.
- March 2021 **UM Pediatric Psychology Didactics**, Pediatric Pain Management: Basics & Complex Care.
- January 2021 **Michigan Psychological Association Pain Grand Rounds**. Our Treatments Work: Guiding Individuals to be Open to Nonpharmacological Pain Management
- November 2020 **Washtenaw Psychological Society**. Psychology in Pediatric Pain Management.
- May 2020 **UM Pediatric Neurology Seminar**, Behavioral Headache Management.
- March 2020 **UM Pediatric Psychology Didactics**, Behavioral Pain Management Basics.
- February-March 2020 **Pediatric Headache ECHO, Round 4**. Co-facilitator and expert presenter in video telementoring series on pediatric headache management for University of Michigan internal pediatricians.
- February -June 2019 **Pediatric Headache ECHO, Round 3**. Co-facilitator and expert presenter in video telementoring series on pediatric headache management for University of Michigan internal pediatricians.

Oct 2018-Jan 2019 **Pediatric Headache ECHO, Round 2.** Co-facilitator and expert presenter in video telementoring series on pediatric headache management for University of Michigan internal pediatricians.

May-August 2018 **Pediatric Headache ECHO, Round 1.** Co-facilitator and expert presenter in video telementoring series on pediatric headache management for University of Michigan internal pediatricians.

May 11, 2018 **Partners in Pediatric Care:** Pediatric headache management for pediatricians.

---

## **TEACHING EXPERIENCE**

---

<b><u>Semester</u></b>	<b><u>Course</u></b>	<b><u>Mentoring Instructor</u></b>
Spring 2015	PSYC 365: Children with Disabilities	Brenda Hussey-Gardner, Ph.D.
Fall 2014	PSYC 365: Children with Disabilities	Brenda Hussey-Gardner, Ph.D.
Fall 2014	PSYC 406: Advanced Behavior Pathology	Julie Murphy, Ph.D.
Fall 2014	PSYC 320: Psychological Assessment	Julie Murphy, Ph.D.
Spring 2014	PSYC 441: Social Health	Danielle Beatty, Ph.D.
Fall 2013	PSYC 365: Children with Disabilities	Brenda Hussey-Gardner, Ph.D.
Spring 2013	PSYC 406: Advanced Behavior Pathology	Julie Murphy, Ph.D.
Spring 2013	PSYC 320: Psychological Assessment	Julie Murphy, Ph.D.
Spring 2013	PSYC 306: Lifespan Development	Julie Murphy, Ph.D.
Fall 2012	PSYC 370: Sensation & Perception	Robert Provine, Ph.D.
Fall 2012	PSYC 333: Psychology of Humor	Robert Provine, Ph.D.
Spring 2012	PSYC 332: Experimental Psychology II	Adia Garrett, Ph.D.
Fall 2011	PSYC 331: Experimental Psychology I	Robin Barry, Ph.D.

## **PROFESSIONAL AFFILIATIONS**

---

Midwest Pain Society, Membership Committee Member (2021-present)  
Michigan Psychological Association, Pain Task Force Committee Member (2020-present)  
Washtenaw Psychological Society, Member (2020-present)  
American Pain Society, Member (2017-2019)  
Society of Pediatric Psychology, Student Member (2011-present)  
Association for Behavioral and Cognitive Therapies, Student Member (2012)

## **HONORS AND AWARDS**

---

Interprofessional Leadership Fellowship, University of Michigan, 2019

Young Investigator Award, American Pain Society, 2019  
University of Michigan Medical School Postdoctoral Fellowship Travel Award, 2017  
Graduation with First Class Honors, McGill University, 2011  
Dean's Honors List, McGill University, 2010-2011  
McGill University Honors Program, 2009-2011

## **PEER-REVIEWED PUBLICATIONS**

---

**Foxen-Craft, E.,** Zhu, G., Jong, K., Scott, E., Bourchtein, E., & Hasset, A. The relationship between affect balance style and clinical outcomes in pediatric chronic pain. *Under review.*

**Foxen-Craft, E.,** Arewaskporn, A., Scott, E., Bourchtein, E., Pogue, A., & Kratz, A. I'm all over the place: Complex symptom variability and within-day patterns among youth with chronic pain. *Journal of Behavioral Medicine*, Accepted.

Bourchtein, E., Scott, E., McLaughlin, A., Walainis, K., Hughes, A., & **Foxen-Craft, E.** (2023). Psychological predictors of performance-based physical functioning among pediatric pain program participants. *Journal of Pediatric Rehabilitation Medicine*, Accepted.

**Foxen-Craft, E.,** Bourchtein, E., Kaplan, C., Clauw, D.J., & Scott, E.L. (2023). Pain widespreadness, and not primary pain location, is associated with comorbid symptoms in children with chronic pain. *Clinical Journal of Pain*, 39(1), 1-7.

Kaplan, C. M., Schrepf, A., Mawla, I., Ichesco, E., Boehnke, K. F., Beltz, A., **Foxen-Craft, E.** ... & Harris, R. E. (2021). Neurobiological antecedents of multisite pain in children. *Pain*. Epub ahead of print.

Siemer, L. C., **Foxen-Craft, E.,** Malviya, S., Ramirez, M., Li, G. Y., James, C., & Voepel-Lewis, T. (2020). The relationship between parental factors, child symptom profile, and persistent postoperative pain interference and analgesic use in children. *Pediatric Anesthesia*, 30(12), 1340-1347.

Scott, E.L., **Foxen-Craft, E.,** Caird, M., Philliben, R., deSebour, T., Currier, E., & Voepel-Lewis, T. (2020). Parental proxy PROMIS pain interference scores are only modestly concordant with their child's scores: An effect of child catastrophizing. *Clinical Journal of Pain*, 36(1), 1-7.

Zeroth, J.A., Dahlquist, L.M., & **Foxen-Craft, E.** (2019). The effects of auditory background noise and virtual reality technology on video game distraction analgesia. *Scandinavian Journal of Pain*, 19(1), 207-217. doi: 10.1515/sjpain-2018-0123

**Foxen-Craft, E.,** Thompson, A. M., Scott, E. L., Kullgren, K. A., Philliben, R., Hyman, C., ... & Voepel-Lewis, T. (2018). Authors' reply to the letter-to-the-editor by Sabour. *European Journal of Pain*, 23(1): 199-200. doi: 10.1002/ejp.1345

**Foxen-Craft, E.,** Scott, E.L., Kullgren, K., Philliben, R., Hyman, C., Dorta, M., Murphy, A., & Voepel-Lewis, T. (2018). Pain location and widespread pain in youth with orthopaedic conditions: Exploration of the reliability and validity of a body map. *European Journal of Pain*, 23(1): 199-200. doi: doi:10.1002/ejp.1282.

Kratz, A.L., Braley, T.J., Fritz, N., Scott, E., **Foxen-Craft, E.,** & Murphy, S. (2018). Daily temporal associations between physical activity and symptoms of multiple sclerosis. *Annals of Behavioral Medicine*, 53(1), 98-108. doi: 10.1093/abm/kay018.

Michalopoulou, G. & **Foxen-Craft, E.** (2018). Is this adolescent suicidal? Challenges in pediatric inpatient consultation-liaison. *Current Psychiatry*, 17(7), 48-53.

Kratz, A.L., Braley, T.J., **Foxen-Craft, E.,** Scott, E. Murphy III, J., & Murphy, S. (2017). How do pain, fatigue, depressive, and cognitive symptoms relate to well-being and social and physical functioning in the daily lives of individuals with multiple sclerosis? *Archives of Physical Medicine and Rehabilitation*, 98(11), 2160-2166.

**Foxen-Craft, E.** & Dahlquist, L. (2017). Brief submaximal isometric exercise improves cold pressor pain tolerance. *Journal of Behavioral Medicine*, 40(5), 760-771.

Werner, K., Milyavskaya, M., **Foxen-Craft, E.,** & Koestner, R. (2016). Some goals just feel easier: Self-concordance leads to goal progress through subjective ease, not effort. *Personality and Individual Differences*, 96, 237-242.

Farmer, M. A., Leja, A., **Foxen-Craft, E.,** Chan, L., MacIntyre, L. C., Niaki, T., ... & Mogil, J. S. (2014). Pain reduces sexual motivation in female but not male mice. *The Journal of Neuroscience*, 34(17), 5747-5753.

Milyavskaya, M., Iankieva, I., **Foxen-Craft, E.,** Colantuoni, A., & Koestner, R. (2012). Inspired to get there: The effects of trait and goal inspiration on goal progress. *Personality and Individual Differences*, 52(1), 56-61.

## **BOOK CHAPTERS**

---

**Foxen-Craft, E.,** Williams, A. E., & Scott, E. L. (2020). The Problem of Pain: Chronic Pain. In B. Carter and K. Kullgren (Eds.) *Clinical Handbook of Psychological Consultation in Pediatric Medical Settings* (pp. 155-167). Springer.

Hoehn, J., **Foxen-Craft, E.,** Pinder, W., and Dahlquist, L. (2016). The role of parents in promoting children's adjustment to chronic illness. In M. Ferrari and C. DeMichelis (Eds.)

*Child and Adolescent Resilient Within Medical Contexts* (pp. 105-119). Springer International Publishing.

## **PRESENTATIONS**

---

**Foxen-Craft, E.,** Scott, E.L., Bourchtein, E., Hill, K., Kaplan, C.M., & Hassett, A.L. (September 2022). Affect balance style and pain factors in pediatric chronic pain. Poster presented at the International Association for the Study of Pain World Congress on Pain, Toronto, ON, Canada.

**Foxen-Craft, E.,** Bourchtein, E., & Scott, E.L. (March 2022). Exploration of momentary relationships between daily physical activity and centrally-mediated symptoms in pediatric chronic pain. Poster presented at the International Society for Pediatric Pain, held virtually.

**Foxen-Craft, E.,** Bourchtein, E., & Scott, E.L. (March 2022). Primary pain location vs widespread pain: How identifying pain mechanisms can lead to precision treatment for pediatric chronic pain. Poster presented at the International Society for Pediatric Pain, held virtually.

Scott, E.L., Bourchtein, E., & **Foxen-Craft, E.** (March 2022). Anxiety, catastrophizing, and fatigue mediate the impact of widespread pain on functional disability in youth with chronic pain. Poster presented at the International Society for Pediatric Pain, held virtually.

Bourchtein, E., McLaughlin, A., Scott, E.L., & **Foxen-Craft, E.** (April 2021). Cognitive versus affective factors: Which are associated with pain readiness to change in a pediatric sample? Poster presented at the Society of Pediatric Psychology Annual Conference, held virtually.

Bourchtein, E., Hughes, A., Walainis, K., Scott, E.L., & **Foxen-Craft, E.** (December 2020). Pre-treatment depressive symptoms predict physical performance among pediatric pain program participants. Poster presented at the US Association for the Study of Pain Conference, held virtually.

**Foxen-Craft, E.,** Joshi, S.M., & Leber, S.M. (October 2020). Impact of an innovative telementoring program about pediatric headache and migraine for community medical providers. Poster to be presented at the Joint International Child Neurology Conference- Annual Child Neurological Society Meeting, held virtually.

**Foxen-Craft, E.,** & Scott, E. (March 2020). Exploring S.P.A.C.E.: How phenotyping can help all pediatric psychologists treat chronic pain. Poster presented at the Society of Pediatric Psychology Annual Conference, held virtually.

**Foxen-Craft, E.,** Thompson, A., Foxen-Craft, N. Scott, E.L., & Nafiu, O. (April 2019). Preoperative physical activity in pediatric posterior spinal fusion: An observational feasibility study. Poster to be presented at the American Pain Society Annual Scientific Meeting, Milwaukee, WI. Winner of the Young Investigator Award.

**Foxen-Craft, E.** & Scott, E. (April 2018). Association between widespread pain, pain intensity, fatigue, and pain interference among children with chronic pain. Poster presented at the Society of Pediatric Psychology Annual Conference, Orlando, FL.

Kratz, A., Fritz, N., Braley, T., Scott, E., **Foxen-Craft, E.**, & Murphy, S. (April 2018). What are the bidirectional associations between symptoms and physical activity in daily life for those with multiple sclerosis? Poster presented at the Society for Behavioral Medicine Annual Meeting, New Orleans, LA.

Scott, E., & **Foxen-Craft, E.** (March 2018). Toward the identification of a pediatric persistent pain profile. Poster presented at the American Pain Society Annual Scientific Meeting, Anaheim, CA.

Nafiu, O., **Foxen-Craft, E.**, Thompson, A., & Scott, E. (October 2017). Can we predict severe postoperative pain in pediatric ambulatory surgery patients? Poster presented at the Anesthesiology Annual Meeting, Boston, MA.

**Foxen-Craft, E.** & Dahlquist, L. (April 2017). Isometric exercise increases immediate pain tolerance in young adults: Future possibilities for pediatric acute pain management. Poster presented at the Society of Pediatric Psychology Annual Conference, Portland, OR.

Pinder, W., Hoehn, J., **Foxen-Craft, E.**, Zeroth, J., Thompson, C., Bento, S., Dahlquist, L., Grant, T., Bollinger, M.E. (April 2015). The impact of food allergy and type 1 diabetes on social activities. Poster presented at the Society of Pediatric Psychology Annual Conference, San Diego, CA.

Zeroth, J., Bento, S., Hoehn, J., Thompson, C., **Foxen-Craft, E.**, Pinder, W., Dahlquist, L. (April 2015). Auditory background noise and the effects of virtual reality distraction on pain tolerance in healthy children. Poster presented at the Society of Pediatric Psychology Annual Conference, San Diego, CA.

Thompson, C., **Foxen-Craft, E.**, Hoehn, J., & Dahlquist, L. (August 2014). Are double baseline assessments necessary for protocols investigating children's cold pressor pain tolerance? Poster presented at the American Psychological Association's Annual Convention, Washington, D.C.

**Foxen-Craft, E.**, Pinder, W., Hoehn, J., Zeroth, J., Thompson, C., Wald, E., Dahlquist, L., Power, T., & Bollinger, M.E. (March 2014). Food allergy in the school: Teacher reports of children's behavior. Poster presented at the National Conference of the Society of Pediatric Psychology, Philadelphia, PA.

Hoehn, J., **Foxen-Craft, E.**, Thompson, C., Wald, E., Dahlquist, L., & Bollinger, M.E. (March 2014). Food allergy parenting: Role differences in illness-care and perceived burden. Poster presented at the National Conference of the Society of Pediatric Psychology, Philadelphia, PA.

Zeroth, J., Singh, M., **Foxen-Craft, E.**, Thompson, C., Hahn, A., Hoehn, J., Krieder, K., & Dahlquist, L. (July 2013). Auditory background noise and the effects of virtual reality distraction on pain tolerance. Poster presented at the American Psychological Association's Annual Convention, Honolulu, HI.

Thompson, C., Hahn, A., Hoehn, J., **Foxen-Craft, E.**, Zeroth, J., Wald, E., & Dahlquist, L. (July 2013). Does video game influence distraction effects during cold pressor tasks? Poster presented at the American Psychological Association's Annual Convention, Honolulu, HI.

**Foxen-Craft, E.**, Dahlquist, L., Hahn, A., Thompson, C., Hoehn, J., Power, T., & Bollinger, M.E. (April 2013). Task persistence in childhood food allergy. Poster presented at the National Conference of the Society for Pediatric Psychology, New Orleans, LA.

Hoehn, J., Thompson, C., Hahn, A., **Foxen-Craft, E.**, Zeroth, J., Dahlquist, L., Bollinger, M.E., Power, T., & Wald, E. (April 2013). Child food allergy, maternal anxiety, and mother-child interactions. Poster presented at the National Conference of the Society for Pediatric Psychology, New Orleans, LA.

**Foxen-Craft, E.**, Hahn, A., Hoehn, J., Dahlquist, L., Thompson, C., Power, T., & Bollinger, M. (November, 2012). Parent monitoring of peer interactions in children with food allergy. Poster presented at the Association for Behavioral and Cognitive Therapies' 46th Annual Convention, National Harbor, MD.

**Foxen-Craft, E.**, Hahn, A., Law, E., Herbert, L., Dahlquist, L., Power, T., & Bollinger, M.E. (April 2012). Parental perceived stress related to daily activities of young children with food allergy. Poster presented at Midwestern Regional Conference of the Society of Pediatric Psychology, Milwaukee, WI.

**Foxen-Craft, E.**, Milyavskaya, M., & Koestner, R. (April 2011). Autonomous motivation and subjectively natural effort in goal pursuit. Poster presented at McGill University Psychology Undergraduate Poster Session, Montreal, Canada.

Dawkins, T., Brodeur, D.A., Landry, O., **Foxen-Craft, E.**, & J.A. Burack. (April 2011). A developmental study of time course and flanker compatibility in visual filtering. Poster presented at Society for Research in Child Development Biennial Meeting, Montreal, Canada.

Farmer, M.A., Leja, A., **Foxen-Craft, E.**, Binik, Y.M., Pfaus, J.G., & Mogil J.S. (November, 2010). Female sexual motivation in the mouse is impaired by chronic pain. Poster presented at the Society for Neuroscience (SFN) annual meeting, San Diego, California.

Farmer, M.A., **Foxen-Craft, E.**, Chan, L.J., Becher, J., Binik, Y.M., Pfaus, J.G., & Mogil, J.S. (January, 2010). Acute versus chronic pain: Sex differences in decreased sexual behavior during genital and non-genital pain. Poster presented at McGill University's 2010 Pain Day, Montréal, Canada.

Farmer, M.A., **Foxen-Craft, E.**, Chan, L.J., Becher, J., Binik, Y.M., Pfaus, J.G., & Mogil, J.S. (October, 2009). "Not tonight, dear": Sex differences in decreased sexual behavior during genital and non-genital pain. Poster presented at the Society for Neuroscience (SFN) annual meeting, Chicago, IL.

Farmer, M.A., Chan, L.J., **Foxen-Craft, E.**, Becher, J., Binik, Y.M., Pfaus, J.G., & Mogil, J.S. (August, 2009). "Not tonight, dear": Sex differences in decreased sexual behavior during genital and non-genital pain. Poster presented at the IASR annual meeting, San Juan, Puerto Rico. Winner of 2009 IASR Student Poster Award.

Farmer, M.A., **Foxen-Craft, E.**, Chan, L.J., Becher, J., Binik, Y.M., Pfaus, J.G., & Mogil, J.S. (June, 2009). Sex differences in the impact of pain on sexual motivation in the mouse. Poster presented at the Quebec Network of Junior Pain Investigators (QNJPI) annual meeting, Montréal, Canada
